

Welcome New and Returning Families

The Da Vinci Boosters welcome your family to the 2024-25 school year! The Boosters are the parent teacher organization for both Da Vinci Jr. High School and Da Vinci High School. We are an inclusive community dedicated to supporting our teachers and students.

**Please join us in our work to create opportunities for our teachers and students!
We need everyone's help!**

You can help your student by...

Volunteering your time—assisting with teacher appreciation events, writing grants, beautifying our school, chaperoning student activities--*bring your skill and in the Da Vinci spirit we will find a way to apply your talents.* There will be a number of opportunities to volunteer and get involved throughout the year. Please reach out to davinciboosters@gmail.com if you would like more information on how you can volunteer at Da Vinci.

Attending monthly Booster meetings—learn more about what is happening at Da Vinci and help make decisions that impact the school. Our principals, Mr. Newman and Ms. Bowen, start Booster meetings with updates and insights. **Our 1st Booster meeting is scheduled for September 11, 7:00-8:00 pm at the Tech Hub on the HS Campus.** Learn more about what is happening at our school and be part of the decision-making process.

You will receive email meeting invites via Constant Contact. If you are not receiving Boosters emails, please let us know at davinciboosters@gmail.com

Donating! Last year Boosters raised \$30,000 to fund projects at both schools, examples listed on the reverse page. We need your help to provide the same, and hopefully, more!

EVERY GIFT MATTERS!

We are a community and everyone's participation matters. Making your gift is more important than the amount. While our financial goal is to raise \$75 for every Da Vinci student, our main goal is to increase the number of gifts we receive.

- If you can only afford \$5 we welcome your donation!
- If you can afford \$75 for each of your Da Vinci students, all the better!
- And if you are fortunate enough to be able to donate more, please consider extending your generosity to fund more of our students.

Please give what you are able to. A Big THANK YOU!
